APPLICATION FOR CONVERSION

Shalom, Welcome.

In the course of the next few months, you will be introduced to a four thousand year old tradition - a way of life, a faith, and a people. We hope that you will come to share with us our enthusiasm for what choosing Judaism represents.

Abraham and Sarah were not born as Jews - they were the first to "Choose Judaism". Ruth, a convert to Judaism, was the great-grandmother of King David. We recognise the tremendous contributions converts have made to Judaism. We also recognise the difficulties in the choice: with personal feelings, families of origin and certain members of the Jewish community. We are here to help you along your path.

The information you provide remains completely confidential, to be used only by Emanuel Synagogue, building your own development in choosing Judaism.
